

Silicon Valley AI Nexus - or just "AI Nexus"

Sunghee Yun

Co-Founder & Leader & Chair @ Silicon Valley AI Nexus

Why AI Nexus?

- K-PAI's growth over 18 months created a genuine inflection point
 - *the community organically expanded well beyond its founding focus*
 - into technology, law, policy, medicine, ethics, climate, humanity, social sciences, and more!
- both missions flourish now on their terms
 - K-PAI
 - creating and fostering new fields where Korea becomes the best industrially and academically
 - AI Nexus
 - *Explore & Lead, Elevate Community, Give Back to Society*

AI Nexus Spirits (North Star)!

- *Explore & Lead*
 - world-class forums and thought leadership shaping AI's most consequential questions
 - collaborations with other orgs
 - *e.g.*, SNU Eng College, KOTRA SV, KIC SV, SVreboot, KSWAN, KASPA, *etc.*
- *Elevate Community*
 - mentorship, startup showcases, professional connections, and leadership opportunities that amplify every voice
- *Give Back to Society*
 - policy engagement, academic partnerships, and public discourse ensuring AI's benefits reach beyond Silicon Valley

AI Nexus encourages and embraces Interest Groups

Thus, we have no options, but . . .

- bring on more volunteers in the areas of
 - *tech support* - as Tech & Social Media Committee Member
 - *event organization* - as Program & Content Committee Member
- refer to [AI Nexus Committees page](#)

Now it's almost over, but before you grab some Gimbap's . . .

- Jay Lee (5 min)
 - introduces *AI Nexus × SNU College of Engineering Silicon Valley Immersion Program 2026*
 - recruits (paid) mentors for the program
- Beth Yun (3 min)
 - invites us to *support Warren Shen, who is suffering from Acute Myeloid Leukemia – Give Back to Society!*
- ALL of YOU (1 min)
 - strike a pose – *a group photo time!*
- Beth Yun
 - corners a few of you for *interviews!*

THANK YOU
